DECLARATION

I declare that the work accomplished in this synopsis/proposal is my research effort. I have written and composed the thesis. The work in this research proposal has neither been previously submitted for the examination leading to the award of a degree nor contains any material from the published resources that can be considered a violation of international copyright law.

I also declare that I am aware of the terms 'copyright' and 'plagiarism.' I will be solely responsible for the consequences of violation of these rules (if any) found in the synopsis/proposal.
